

New Families,

We are so excited to welcome you all to Episcopal Collegiate for the 2021-2022 school year!

Several communication pieces have been distributed in the last few weeks, and we know that this can feel a bit overwhelming. A friendly reminder to head to our [Back to School Resources](#) section found on the website. On this page, you will find the following:

- Community Health Guidelines & Protocol
- New Family Information
- Summer Reading & Enrichment
- Back to School Resources

In addition to the items listed above, all school-wide communication pieces from the Head of School and Division Heads are archived in the dropdown titled “2021-2022 School Communication Archive” located on the left-hand side of each Back to School Resources page for easy reference.

Have additional questions or would like to connect specifically with a parent in your child’s grade? Please find your grade level representative’s [contact information here](#).

We look forward to seeing you next week!
