Rising Sixth Grade Summer Reading: 2022-2023

During the summer break, each rising sixth grade student should complete the following reading assignments:

- Read *The Season of Styx Malone* by Kekla Magoon (ISBN: 9781524715984)
- Read an age-appropriate **choice** book

Of course, I hope that you will also choose to read more books on your own!

Summer Reading Assignment

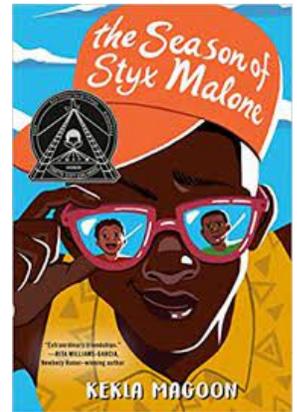

Read *The Season of Styx Malone* carefully because we will do activities based on the characters, plot, conflicts, setting, and themes found in the book.

- You may annotate while reading, but you are not required to do so.

Required Choice Book

Read one choice book.

- You may not choose books that you have read previously or have been read to you.
- Check out the book recommendations made by this year's 6th graders (on back).
- Your choice book should be **age appropriate**. If you are in doubt, do **not** choose it.
- Your book must have at least **150** pages.

 - *D'Aulaires' Book of Greek Myths*
 - *The Outsiders*
 - *To Kill a Mockingbird*
