

Episcopal Collegiate School is excited to announce that, through a partnership with Kavanaugh Pharmacy, a Covid Vaccine Clinic will be conducted on campus Thursday, April 8. Any student age 16 and over, as well as parents of any Episcopal Collegiate student, are eligible.

WHEN: Thursday, April 8, 2:00 pm – 6:00 pm

WHERE: Episcopal Collegiate School Campus – Auxiliary Gym

WHO: Any Episcopal student age 16 and over and any parent of an Episcopal student

The vaccine administered will be the Pfizer-BioNTech version, which requires a two dose protocol. The second dose will be administered at another on-campus clinic on Thursday, April 29, for which there will be a separate registration process. Please note, anyone receiving the vaccine must complete a 15 minute waiting period before leaving the site.

#### INSTRUCTIONS:

##### Step One

Register at [COVID VACCINE CLINIC REGISTRATION](#).

Please register by the end of today (Tuesday, April 6). Arrangements must be made for the correct number of doses. Appointments will be made in 15 minute time slots with a limited number of spaces available within each 15 minute period. *Please be punctual.*

##### Step Two

[Complete and return the Vaccine Consent Form.](#)

##### Step Three

Attach a copy of your insurance card to the form.

Blank forms are also available in each school division office. A separate form is required for each person. There is no cost to you for the vaccine, but insurance information is requested on the form and a copy of your insurance card must be attached to the form.

Students: Completed forms should be returned to Selby Whitbeck Boyd in the Upper School Office by the end of today (Tuesday, April 6).

Parents: Completed forms should be returned to one of the school division offices in advance if possible. You may bring the form with you at the time of your appointment.
