**Mission Statement**

An independent college preparatory school, grades Pre-Kindergarten through 12, rooted in the Episcopal tradition and affirming people of all faiths, Episcopal Collegiate School seeks superior academic achievement and strives to develop in its students respect for all persons, reverence of God, and a sense of moral responsibility. Episcopal Collegiate is dedicated to the pursuit of excellence and joy in learning in a nurturing community that prepares our students to live principled and fulfilling lives of leadership and service to others.

**The Faculty**

There are 110 full-time faculty with 82% holding advanced degrees. Students receive an intimate environment with a student-faculty ratio of 8:1 and average class size of 14.

**Institute for Responsible Citizenship**

A school-wide program dedicated to engaged citizenship and the development of leadership, the IRC promotes thoughtful and confident engagement in the broader global community. Through intentional coursework, leadership seminars, fieldwork, travel, and service, the IRC engages students in eight broad areas—community, politics, economics, global issues, ethics & spirituality, the environment, entrepreneurship, and wellness—and equips them to take action in one or more of these areas. These experiences help our students develop a complex understanding of our global community, a keen sense of civic responsibility, and a sense of empowerment to make a difference.

**Honor Code**

All members of the Episcopal Collegiate community abide by the Honor Code. Students, faculty, and alumni value the sense of security and trust derived from the student-written and student-enforced Honor Code. **Honor Pledge:** I pledge that I will uphold the Honor Code with my mind, body, and spirit, produce my own work, always speak the truth, and respect the physical and intellectual property of all people.

**Community Service**

Respect, reverence, and responsibility are core values of Episcopal Collegiate, and we strive to be exemplary neighbors to our community. Upper School students are required to perform community service hours in order to be promoted to the next grade level. No more than 25% of the required community service hours may be served on campus. The minimum required community service hours per grade level are:
